LAPICIDA
TILE & STONE SPECIALIST

ARTIS COLLECTION PORCELAIN EDITION 2022

Advances in technology has seen the introduction of new-generation porcelain surfaces. Ultra durable, these products are easy to maintain, cost-effective and suited to a wide range of projects.

An ever-expanding diversity of finishes and colours makes it possible for customers to achieve the look they want at a range of price points. Almost indistinguishable from the real thing, the designs imitate different types of materials including marble, stone, slate, wood, metal and concrete.

As well as beautiful replicas, the collection features exciting new additions such as bookmatch slab and antibacterial tiles.

DISCLAIMER

PRODUCT SIZES: PLEASE NOTE ALL SIZES ARE NOMINAL AND PROVIDED AS A GUIDE ONLY
IF SPECIFIC SIZES ARE REQUIRED PLEASE CONTACT A MEMBER OF THE TEAM TO DISCUSS

For more information about the products featured, including in relation to product suitability and use, please contact a member of the team. Although every effort is made to ensure the information included in this catalogue is as accurate as possible, because of the nature of these products, variations may exist in product size, colour and finish. We endeavour to ensure all product colours are accurate, however the limitations of print production and digital screens may result in variations from the actual material. The images featured are for illustrative purposes. Some tiles are rectified as part of the manufacturing process to ensure consistency in size and therefore may be slightly smaller than listed. Minimum order quantities apply to some products.

PORCELAIN STONE

Designed to work alongside natural materials but also to act as their perfect alternatives, porcelain stone looks similar to the genuine article but is lighter and thinner, making it ideal for a wide range of settings.

The ARTIS Collection offers many different stone-effect surfaces from traditional designs to ultra-contemporary styles. Available in a variety of tile sizes, colours and finishes.
